

Saturday September 10th at 9am

We will all meet at Mill Park Elementary on Saturday morning for commissioning and to meet with our volunteer groups and point people for our projects. When everyone has checked in for a project, that group will be dismissed to their project site.

Service Project Sign Ups

Sign Ups will be done online with the assistance of the planning committee member from your congregation. If you aren't sure who that is; please email jasmine@gleportland.org with any questions!

Please Note Important Facts

The volunteer limits are put in place by the project sites themselves. We can not change these numbers. Please remember that we are sharing volunteer spots between all participating congregations. If you would like to be sure you get a job placement where you really want it, or with your friends or family please sign up ASAP.

Signage, parking attendants, and wheelchair accessibility has been centered for this year's event. Please don't hesitate to ask any questions if you have concerns.

Sunday worship will occur at Mill Park Elementary School at 10am.
