

Our sister churches, Gethsemane, Resurrection, Pilgrim, Trinity Gresham, and Covenant Presbyterian will be serving the community on September 9th at Cultivate Initiatives, 14625 SE Stark. We will meet for commissioning by Pastor Yukio Hamada at their site at 9 am. Volunteers will work on clean-up in the area (to be determined when closer to the date), put hygiene kits together on-site, and complete advocacy letters. We will meet back at Cultivate with a sack lunch together. We hope to have video and pictures for Sunday, the 10th, when worship services will be at each home church.

Form a Gathering for Crafters and Their Projects

We have often had craft groups meeting for quilting, learning about other crafts, sharing skills and fellowship.

Starting in October we will have a craft gathering, but we need input on day, time and how many times we meet per month. Interested persons contact Greta C. and Jean W.
